Apiary, Dairy, Canned Goods &  
Miscellaneous**

Superintendent - Karen Stangl  
Telephone: 468-6088

Food Preservation/Canning/Dried Foods  
All recipes, procedures, and times followed must be according to current USDA and University of Minnesota Extension Service publications.  
**Jars used must be heat-tempered glass canning jars. All jars must be sealed with two-piece canning lids. All canned goods are to be exhibited in regular pint mason jars. Brand names of lids and jars must match, i.e. a Kerr jar must have a Kerr lid on it. Products entered in recycled jars, such as mayonnaise, peanut butter, etc., will not be accepted! Leave screw bands on the two-piece jar lids.** Each exhibit must have a canning label attached. The canning label must state the canned product's name, the date product was canned, its processing method and processing time. Below is a sample canning label:

Product Name: \_\_\_\_\_  
Date \_\_\_\_\_  
Canned: \_\_\_\_\_  
Processing Method - (Put an X by the method used).  
1. Pressure canner \_\_\_\_\_  
2. Boiling water bath \_\_\_\_\_  
Processing Time \_\_\_\_\_

**Jams and Jellies** must be processed in a boiling water bath according to USDA and University of Minnesota Extension Service food preservation publications. No artificial food coloring should be added to entries. No jams or jellies or spreads needing refrigeration or freezer storage will be accepted. Jams and jellies must be in jelly or ½ pint jars and must be sealed with two-piece lids. No wax covered products will be accepted!

**Fish** must be in pint jars!

**Dried Foods:** The quantity of dried foods for each exhibit should be:  
• fruits and vegetables - 1/2 cup or more of each  
• herbs - 1/4 cup of each in whole leaf form  
• meat - six strips
